

Willow Springs, Mo.  
June 11th 1916.

My dear Lois & Hubert.

I have to acknowledge receipt of your dear letter of May 7th and "The Lincoln Leader" - also the Souvenir sheet of Note Paper re - "The Great White House Nobel" you are very kind to spare me one - and while I think of it I discovered that the pkg of magazines I sent before the last one was mailed with only Domestic postage on it. I hope they threw it in the discard. we have the Mail carrier weigh the pkgs and tell us how much stamps to attach, and I find the pkg in question was stamped in error. I have warned everybody now & gave the Mail Carrier a

lecture on his carelessness. but hope  
the pke never came thro' — and  
if it did and you had to pay I  
beg your forgiveness, and a Kiss.  
bless you. —

photo of Alice which she sent  
with one for me, she asked me to  
forward it to you, as a peace  
offering I guess, for her neglect  
in writing you. — she's a busy  
woman tho and you will forgive  
I know. — Jim is away nearly all  
of the time and she writes him  
every day and her girl graduates  
from the grade schools this month  
and goes to High School and  
Alice helps her with her lessons  
all the time. Alice tells me it is  
like taking a post graduate course

Alice 38. and still in full bloom  
I wish you knew her, she's a
