Dear old Sis o' mine,

You wouldn't let me forget my Bday, so I'll pay you back, but if I looked as young as you I wouldn't mind. Here's wishing you "Many Happy Returns" and I hope I'll hang around to enjoy them with you. We shall think of you when the day comes. Oh! if we could only be together. For I love you so much. Dear old Sis o' mine. Just you & me left. and I want you.

Fondlest love. Hello! my boy.

Uncle Sam.
